2. NECESSITY FOR THE BUYBACK AND DETAILS THEREOF

The Company has been generating reasonable amounts of cash on an ongoing basis. The current Buyback proposal is in line with the Company's capital allocation practices of returning excess cash to shareholders, thereby increasing shareholder value in the longer term, and improving the Return on Equity. The Company believes that the Buyback is being undertaken by the Company after taking into account the operational and strategic cash requirements of the Company in the medium term and for returning surplus funds to the shareholders in an effective and efficient manner. The Buyback is being undertaken for the following reasons:

2.1 Undertaking this Buyback offer is a strategic decision taken by the Company based on assimilation of the operational cash needs in the medium term and for returning surplus funds to the members in an effective and efficient manner.

2.2 The Buyback is generally expected to optimize the Company's capital structure and enhance long-term shareholder value by distributing surplus cash to members and reducing the equity base. This in turn will improve key financial parameters such as Return on Equity, Return on Capital Employed, and Earnings Per Share, thereby contributing to a sustained increase in members' value.

2.3 The Buyback, which is being implemented through the tender offer route as prescribed under the Buyback Regulations, would involve a reservation of 15% of the Equity Shares, which the Company proposes to Buyback, for small shareholders or the actual number of Equity Shares entitled as per the shareholding of small shareholders on the Record Date, whichever is higher. The Company believes that this reservation for small shareholders would benefit a significant number of the Company's public shareholders, who would be classified as "Small Shareholders".

2.4 The Buyback gives an option to the Eligible Shareholders of the Company to either (A) participate in the Buyback Offer and receive cash in lieu of their Equity Shares which are accepted under the Buyback, or (B) not to participate in the Buyback and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment.

3. **MAXIMUM NUMBER OF EQUITY SHARES THAT THE COMPANY PROPOSES TO BUYBACK**
At Buy Back Price and Buy Back Size, the indicative Buy Back Shares that can be bought back would be i.e. 4,70,000 (Four Lakh Seventy Thousand) fully paid-up Equity Shares, representing 2.23% of the total number of Equity Shares in the existing total paid-up equity share capital of the Company. However, the actual bought back Equity Shares may be less the indicative maximum Buy Back Shares, if the Buy Back price fixed by the Board/Buy Back Committee is more than the Maximum Buy Back Price, subject to number of Equity Shares bought back shall not exceed 25% of the total number of Equity shares in the total paid-up Equity Share capital of the Company and the amount utilized shall not exceed Maximum Buy Back Size.

4. **MAXIMUM AMOUNT REQUIRED UNDER THE BUYBACK AND ITS PERCENTAGE OF THE TOTAL PAID UP CAPITAL AND FREE RESERVES & SOURCES OF FUNDS FROM WHICH BUYBACK WILL BE FINANCED**

4.1 The amount of funds required for the Buyback will aggregate to INR 47,00,00,000 (Indian Rupees Forty Seven

Crore only) being 9.80% and 9.80% of the aggregate of the total paid-up share capital and free reserves of the Company on standalone and consolidated basis as per latest audited financial statements as at March 31, 2025, which is within the statutory limit of 10% of the aggregate of the total paid-up share capital and free reserves of the Company.

4.2 The Buyback Offer Size does not include any expenses or transaction costs incurred or to be incurred for the Buyback, such as, brokerage, filing fees, turnover charges, advisory fees, intermediaries' fees, public announcement publication expenses, printing and dispatch expenses, applicable taxes such as securities transaction tax, goods and services tax, stamp duty etc. and other incidental and related expenses.

4.3 The funds for the implementation of the proposed Buyback will be sourced out of the free reserves and securities premium account of the Company or such other source as may be permitted by the Buyback Regulations or the Act. Borrowed funds from banks and financial institutions, if any, will not be used for the Buyback.

5. BUYBACK PRICE AND BASIS OF ARRIVING AT THE BUYBACK OFFER PRICE

The Equity Shares of the Company are proposed to be bought back at a price of INR 1000/- (Indian Rupees One Thousand Only) per Equity Share ("Buyback Price"). The Buyback Price has been arrived at after considering various factors including, but not limited to, the trends in the volume weighted average market prices of the Equity Shares on BSE and NSE where the Equity Shares are listed, price earnings ratio, impact on other financial parameters and the possible impact of the Buyback on the earnings per Equity Share. Further, in accordance with Regulation 5(via) of the Buyback Regulations, the Board/Buyback Committee may increase the Buyback Price and decrease the number of Equity Shares proposed to be bought back provided that there is no change in the Buyback Offer Size, till one working day prior to the Record Date fixed for the purpose of Buyback.

In line with the recent market practice in relation to buybacks, the Buyback Price represents:

- Premium of 31.37% and 31.24% over the volume weighted average market price of the Equity Shares on BSE and NSE, respectively, during the sixty days preceding Tuesday, April 14, 2026, being the date of intimation to the Stock Exchanges for the Board Meeting to consider the proposal of the Buy Back ("Intimation Date").
- Premium of 32.67% and 32.97% over the volume weighted average market price of the Equity Shares on BSE and NSE, respectively, during the forty five days preceding the Intimation Date.

11. RECORD DATE AND SHAREHOLDER ENTITLEMENT

11.1 As required under the Buyback Regulations, the Company has fixed Friday, April 24, 2026 as the record date ("Record Date") for the purpose of determining the entitlement and the names of the equity shareholders, who are eligible to participate in the Buyback. The tendering period for the Buyback offer will commence from not later than 4 (four) working days from the Record Date and shall remain open for a period of 5 (five) working days.

11.2 As per the Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback. All of the equity shareholders of the Company as on Record Date will be eligible to participate in the Buyback.

11.3 As required under the Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode in accordance with the provisions of the Act, within 2 (two) working days from the Record Date and if any Eligible Shareholder has not registered an email address with the Depositories, or in the case of receipt of a request from any Eligible Shareholder to receive a copy of the Letter of Offer in physical form, a physical form shall be sent by speed post or registered post or courier to such shareholder's registered postal address as available with the Company.

11.4 The Equity Shares to be bought back pursuant to the Buyback are divided into 2 (two) categories:
 (i) Reserved category for Small Shareholders ("Reserved Category"); and
 (ii) General category for all other Eligible Shareholders ("General Category").

11.5 As defined in Regulation 2(i)(n) of the Buyback Regulations, a "Small Shareholder" is a shareholder who holds equity shares having market value, on the basis of closing price of shares on the stock exchanges, on which the highest trading volume in respect of the Equity Shares as on the Record Date was recorded, of not more than INR 2,00,000 (Indian Rupees Two Lakhs only).

11.6 In accordance with proviso to Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buyback or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.

11.7 Based on the shareholding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholders as on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs ("Buyback Entitlement"). The Company believes that this reservation for small shareholders would benefit a large number of the Company's public shareholders, who would be classified as "Small Shareholders", given that the promoters and members of the promoter group of the Company have expressed their intention not to participate in the Buyback, the Equity Shares held by members of the promoter/promoter group shall not be considered for computing the entitlement ratio, in accordance with the proviso to Regulation 4(iv)(a) of the Buyback Regulations, and to that extent, the Eligible Shareholders will have a higher Buyback Entitlement ratio. *"Since the Promoters and the Promoter Group of the Company have declared their intention to not participate in the Buyback, Equity Shares held by them have not been considered for the purposes of computing the entitlement ratio."*

11.8 In accordance with Regulation 9(ix) of the Buyback Regulations, to ensure that the same Eligible Shareholder(s) with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the name of joint shareholders are identical. In case of physical shareholders, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds/ trusts and insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar and Transfer Agent as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body -broker" as per the beneficial position data as on the Record Date, with common PAN, are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

11.9 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.

11.10 Eligible Shareholders' participation in the Buyback is voluntary. Eligible Shareholders may choose to participate, in part or in full, and receive cash in lieu of the Equity Shares accepted under the Buyback, or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, after the completion of the Buyback, without any additional investment. Eligible Shareholders may also tender a part of their Buyback Entitlement. Eligible Shareholders also have the option of tendering Additional Equity Shares (i.e. Equity Shares over and above their Buyback Entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any. The acceptance of any Equity Shares tendered in excess of the Buyback Entitlement by the Eligible Shareholder shall be in terms of procedure outlined herein. In case any Eligible Shareholder or any person claiming to be an Eligible Shareholder cannot participate in the Buyback Offer for any reason, the Company, the Manager and Registrar to the Buyback and their officers shall not be liable in any manner for such non-participation.

11.11 The maximum tender under the Buyback by an Eligible Shareholder cannot exceed the number of Equity Shares held by such Eligible Shareholder as on the Record Date. In case the Eligible Shareholder holds Equity Shares

through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account as on the Record Date.

11.12 The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in the Buyback Regulations. The settlement of the tenders under the Buyback will be done using the "Mechanism for acquisition of shares through Stock Exchange pursuant to Tender-Offers under Takeovers, Buy Back and Delisting" notified under the SEBI Circulars. Eligible Shareholders will receive a Letter of Offer along with a tender/offer form indicating their respective entitlement for participating in the Buyback as on record date.

11.13 Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which, along with the tender offer form, will be sent in due course to the Eligible Shareholders. However, if any Eligible Shareholder has not registered an email address with the Depositories, or on receipt of a request by Registrar to the Buyback and Manager to the Buyback, to receive a copy of Letter of Offer in physical format from such Eligible Shareholder (to whom Letter of Offer and tender form were emailed), a physical form shall be sent by speed post or registered post or courier to such shareholder's registered postal address as available with the Company.

12. PROCESS AND METHODOLOGY TO BE ADOPTED FOR BUYBACK

12.1 The Buyback is open to all Eligible Shareholders and beneficial owners of the Company holding Equity Shares either in physical or electronic form, as on the Record Date.

12.2 The Buyback shall be on a proportionate basis (subject to the reservation for Small Shareholders in accordance with the Buyback Regulations) through the "Tender Offer" route, as prescribed under the Buyback Regulations, to the extent permissible, and the "Mechanism for acquisition of shares through Stock Exchanges pursuant to Tender-Offers under Takeovers, Buyback and Delisting" as prescribed under the SEBI Circulars. The Buyback will be implemented in accordance with the Act read with the rules framed thereunder, the Buyback Regulations and on such terms and conditions as may be deemed fit by the Company.

12.7 The Buyback Regulations do not restrict Eligible Shareholders from placing multiple bids and modifying bids, therefore, modification/cancellation of orders and multiple bids from a single Eligible Shareholder will only be allowed during the Tendering Period. Multiple bids made by a single Eligible Shareholder for selling Equity Shares shall be clubbed and considered as "one bid" for the purposes of Acceptance. Eligible Shareholders are requested to consult their respective Stock Brokers regarding the same.

Such documents may include (but not be limited to): a. Duly attested power of attorney, if any person other than the Eligible Shareholder has signed the tender form; b. If the security transfer instruction is rejected in the depository system, due to any issue then such securities will be transferred to the shareholder/broker's depository pool account for onward transfer to the Eligible Shareholder. In case of custodian participant orders, excess dematerialized shares or unaccepted dematerialized shares, if any, will be refunded to the respective custodian depository pool account.

12.12 Procedure to be followed by the Eligible Shareholders holding Equity Shares in physical form:

(vii) If any of the above-stated documents (as applicable) are not enclosed along with the tender form, the Equity Shares tendered by Eligible Shareholders, being Non-Resident Shareholders, under the Buyback are liable to be rejected.

13. METHOD OF SETTLEMENT

Upon finalization of the basis of acceptance as per the Buyback Regulations:

13.1 The settlement of trade(s) shall be carried out in the manner similar to settlement of trade(s) in the secondary market and as per the SEBI Circulars.

13.2 The Company will pay the consideration to the Company's Broker who will transfer the funds pertaining to the Buyback to the Clearing Corporation's bank accounts as per the prescribed schedule. 13.3 Details in respect of shareholder's entitlement for Tender Offer process will be provided to the Clearing Corporation by the Registrar on behalf of the Company. On receipt of the same, the Clearing Corporation will cancel the excess or unaccepted blocked shares in the demat account of the Eligible Shareholder. On settlement date, all blocked shares mentioned in the accepted bid will be transferred to the Clearing Corporation.

The LOC shall be valid for a period of 120 days from the date of its issuance, within which the Equity Shareholder shall be required to make a request to their depository participant for dematerializing the physical Equity Shares. In case the Equity Shareholder fails to submit the demat request within the aforementioned period, the RTA shall credit the physical Equity Shares to a separate demat account of the Company opened for the said purpose. The lien marked against unaccepted Equity Shares will be released, if any, or would be returned by registered post or by ordinary post or courier (in case of physical shares) at the Eligible Shareholders' sole risk.
