RISK FACTORS

RISKS RELATED TO THE TRANSACTION, THE PROPOSED OPEN OFFER AND THE PROBABLE RISKS INVOLVED IN ASSOCIATING WITH THE ACQUIRER

(A) Risk relating to the transaction

The Open Offer is subject to compliance with terms and conditions as set out under the Share Purchase Agreement dated August 05, 2026 (Wednesday). As on the date of this Draft Letter of Offer, there are no apparent conditions mentioned in the SPA (as defined below) which may warrant a withdrawal of the Offer under Regulation 23(1) of the SEBI (SAST) Regulations, 2011. If later, any other statutory or regulatory approvals or no objections are required, the Offer would become subject to receipt of such other statutory or regulatory or other approvals or no objections.

(B) Risk relating to the Offer

1. In the event that (a) any statutory approvals being required by the Acquirer at a later date, this Offer shall be subject to such approvals and the Acquirer shall make the necessary applications for such approvals and in case of delay in receipt of any such statutory approvals; (b) there is any litigation leading to a stay on the Open Offer. In case of delay, due to non-receipt of statutory approval(s) in accordance with Regulation 18(11) of the SEBI (SAST) Regulations, 2011, SEBI may, if satisfied that the non-receipt of approvals was not due to any wilful default or negligence on the part of the Acquirer, grant extension for the purpose of completion of this Open Offer subject to Acquirer agreeing to pay interest to the Public Shareholders, as may be specified by SEBI.
2. The Acquirer will not proceed with the Open Offer in the event of statutory approvals, if any required, are refused in terms of Regulation 23(1)(a) of SEBI (SAST) Regulations, 2011.

The tendered equity shares in physical form with the related documents submitted therewith would be held in trust by the Registrar to the Offer and in credit of the Depositories account until the process of acceptance of Equity Shares tendered and payment of consideration to the respective Public Shareholders is completed.

3. Equity Shares tendered in the Open Offer cannot be withdrawn during the tendering period, even in the event of delay in acceptance or dispatch of consideration. Upon tendering, a lien will be marked on such Equity Shares and they will remain blocked in the shareholder's demat account (or in the custody of the Registrar to the Offer and/or Clearing Corporation, as applicable). Consequently, the Public Shareholders will not be able to trade such Equity Shares during the tendering period and until the completion of all formalities of the Offer, thereby exposing them to market risk and volatility.
4. All Public Shareholders, including non-residents holders of Equity Shares, must obtain all requisite approvals required, if any, to tender Equity Shares (including without limitation, the approval from the RBI) and submit such approvals, along with the other documents required to accept this Offer. In the event such approvals are not submitted, the Acquirer reserves the right to reject such Equity Shares tendered in this Offer. Further, if the holders of the Equity Shares who are not persons resident in India (including non-resident Indians, foreign institutional investors and foreign portfolio investors) had required any approvals (including from the RBI, or any other regulatory body) in respect of the Equity Shares held by them, they will be required to submit such previous approvals, that they would have obtained for holding the Equity Shares, to tender Equity Shares, along with the other documents required to be tendered to accept this Offer. In the event such approvals are not submitted, the Acquirer reserves the right to reject such Equity Shares. Public Shareholders classified as overseas corporate bodies ("OCB"), if any, may tender the Equity Shares held by them in the Open Offer pursuant to receipt of approval from the RBI under the Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder. Such OCBs shall approach the RBI independently to seek approval to tender the Equity Shares held by them in the Open Offer.
5. The Public Shareholders are advised to consult their respective stockbroker, legal, financial, investment or other advisors and consultants of their choosing, if any, for assessing further risks with respect to their participation in this Open Offer, and related transfer of Equity Shares of the Target Company to the Acquirer. Public Shareholders are advised to consult their respective tax advisors for assessing the tax liability pursuant to this Offer, or in respect of other aspects such as the treatment that may be given by their respective assessing officers in their case and the appropriate course of action that they should take. The Acquirer and the Manager to the Offer do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in this Draft Letter of Offer.
6. The information pertaining to the Target Company contained in this Draft Letter of Offer, including financial information, shareholding patterns, and other data, has been obtained from publicly available sources (such as filings with stock exchanges, annual reports, and information published by the Target Company) and/or from the Target Company. Neither the Acquirer nor the Manager to the Offer has independently verified such information. Accordingly, no assurance can be given regarding the accuracy, completeness, or adequacy of such information, and shareholders are advised to exercise caution in placing reliance on the same.
7. The Acquirer shall have the right to withdraw the Open Offer in circumstances specified under Regulation 23(1) of the SEBI (SAST) Regulations, 2011, subject to SEBI's approval, if applicable. In the event of such withdrawal, a Public Announcement of withdrawal will be made within two (2) working days of such decision, and the same will be notified to SEBI, Stock Exchange, and the Target Company, in accordance with the SEBI (SAST) Regulations, 2011.
8. In the event of a delay in making payment of consideration to Public Shareholders who have validly tendered their Equity Shares in the Open Offer, the Acquirer may be required, under Regulation 18(11) of the SEBI (SAST) Regulations, 2011, to pay interest at the rate of 10% per annum (or such other rate as may be directed by SEBI) for the period of delay, provided such delay is attributable to any act or omission of the Acquirer. SEBI, however, has the discretion to grant a waiver from payment of interest if the delay is not attributable to the Acquirer. Further, under Regulation 17(9) of the SEBI (SAST) Regulations, 2011, in the event of non-fulfilment of obligations under the Open Offer, the escrow account created in terms of the Regulations may be forfeited, in whole or in part, by SEBI and distributed to the eligible shareholders or otherwise dealt with in accordance with the provisions of the Regulations.
9. The DLOF/LOF, together with the DPS and the PA in connection with the Offer has been prepared for the purposes of compliance with the applicable laws and regulations of India, including the SEBI Act and the SEBI (SAST) Regulations, and has not been filed, registered or approved in any jurisdiction outside India. Recipients of this DLOF/LOF, who are resident in jurisdictions outside India, should inform themselves of and comply with any applicable legal requirements. This Open Offer is not directed towards any person or entity in any jurisdiction where the same would be contrary to the applicable laws or regulations or would subject the Acquirer or the Manager to the Offer to any new or additional registration requirements.
10. Shareholders should note that neither the Acquirer nor the Manager to the Offer provide any assurance regarding the past or future financial performance of the Target Company, its business prospects, or the decisions relating to its operations. Further, no assurance is being provided regarding the impact of the acquisition on the employees, their continued employment, or the business strategies that may be adopted by the Acquirer in the future, including any investment or divestment decisions. Such matters will be determined solely at the discretion of the Board of Directors of the Target Company and/or the Acquirer, subject to applicable laws, and may materially affect the future performance of the Target Company.

11. Neither the Acquirer, the Manager to the Offer, nor the Registrar to the Offer shall be responsible for any loss, delay, misplacement, or mishandling of documents (including but not limited to the Form of Acceptance-cum-Acknowledgement, share transfer forms, delivery instruction slips, or share certificates) during transit. Public Shareholders are advised to take adequate precautions to safeguard their interests, such as sending documents through registered post, courier, or other trackable means, and retaining proof of dispatch/acknowledgement.
12. In the event of oversubscription of the Open Offer, acceptance of Equity Shares will be made on a proportionate basis in accordance with Regulation 21 of the SEBI (SAST) Regulations, 2011. Accordingly, there can be no assurance that all the Equity Shares tendered by the Public Shareholders will be accepted in the Offer. Equity Shares not accepted, if any, will be returned to the respective shareholders within the timelines prescribed under the SEBI (SAST) Regulations, 2011 and other applicable laws.

- 8.7.2 STT will be levied on and collected by a domestic stock exchange on which the equity shares are sold. Further, any gain realized on the sale of listed equity shares held for a period of 12 months or less which are sold, will be subject to short term capital gains tax @ 20% provided the transaction is chargeable to STT.
